

Retirement Income Guaranteed

Spending your RRSP shouldn't be stressful

You worried that you wouldn't put enough in your RRSP, but here you are in retirement. Now it's time to enter the drawdown phase, when you get to enjoy the fruits of your labour. With this stage comes its own worries – Will you run out of money too soon? Will market fluctuations reduce your nest egg? Will inflation seriously erode your funds?

At Roche Financial Group, we have a guaranteed strategy that will enable you to spend your retirement savings smartly – so you can avoid the worry and start enjoying.
