

Synergies

It's not about
insurance: Secure
\$500,000 emergency
cash for a small
monthly premium

Work, children, your home – the cornerstones of life. But what happens if you become unable to meet your financial obligations through critical illness, disability or premature death?

Your Roche Financial Planner can help protect the life you live and the people you love with one affordable and easy to manage package. Through a small monthly premium, your family can access \$500,000 or more if you become disabled, critically ill or die prematurely.

Life can be full of surprises. Let Roche Financial help keep your family on firm financial ground through whatever may come. Enjoy the trust, confidence, and security of being protected by one of the most secure brokerages in the business.
